End of 1st Quarter

- It's been an amazing and fast 1st quarter of the school year. The 1st graders have worked hard to learn the routines, rules, math, reading, social studies and so much more! It has been great to see new friendships forming and becoming stronger. Thank you for all the hard work you are doing at home to make sure they are ready for school and get extra practice on skills we are working on! Your support truly helps!

Cold Weather

Please make sure you are sending your child to school with weather-appropriate attire. Students should be coming to school with jackets, hats, snow pants, boots, and gloves. If a student does not have a jacket, they will have to sit out of recess. Snow pants will be required once it gets more snowy.
