This week in first grade we finished our addition unit and started learning different strategies for subtraction. This would be a great time to work on adding and subtracting at home! We also learned about digital citizenship and how it's important for us to be safe online.

***Just a reminder that we go outside for recess each morning from 9:50-10:15. As the weather gets colder please make sure that your child brings warm clothing!

Parent- Teacher Conferences

I am looking forward to discussing your child's progress at conferences on Nov. 14th and 16th. This year parents will schedule conferences online. A note went home about this on Monday. More information will come soon and you can contact the office if you have any problems.
